Financial Claims Scheme (FCS)

The repayment of deposit funds and interest is not guaranteed. This means that you could lose some or all of your investment, particularly if Macquarie becomes insolvent. If this occurs, you may be entitled to payment under the Financial Claims Scheme (subject to applicable limits).

The Financial Claims Scheme (FCS) is an Australian Government scheme that provides protection and quick access to deposits in banks, building societies and credit unions in the unlikely event that one of these financial institutions fails. Under the FCS, certain deposits are protected up to a limit of \$250,000 for each account holder at any bank, building society, credit union or other authorised deposit-taking institution (ADI) that is incorporated in Australia and authorised by the Australian Prudential Regulation Authority (APRA).

The FCS can only come into effect if it is activated by the Australian Government when an institution fails. Once activated, the FCS will be administered by the Australian Prudential Regulation Authority (APRA). In an FCS scenario, APRA would aim to pay the majority of customers their protected deposits under the Scheme within seven calendar days.

Information on the FCS is available on the FCS website – www.fcs.gov.au.

When conducting your online banking with us, we provide you with peace of mind knowing that we will protect you against losses for unauthorised fraudulent transactions where you have not contributed to the loss. Macquarie works closely with law enforcement agencies to ensure fraud matters are handled with proper care and due diligence.

However it is very important that you also take steps to protect your personal information and money. Our Security and Fraud statement available online at [macquarie.com.au/security-and-fraud](https://www.macquarie.com.au/security-and-fraud) provides information on the common types of fraud and steps you can take to help protect yourself against fraud and unauthorised transactions.

Authorising a third party to access your Cash Account

Please consider carefully who you appoint with authority on your Cash Account, and the level of their authority, as we may follow their instructions as if they were yours. You will be liable for their transaction requests, including if they result in financial loss. It's important that you understand this risk and the level of access you give to them.

Refer to the Terms and Conditions, including section 7.

Keep your Cash Account details secure

⚠ Please be careful! There is a risk that fraudulent electronic withdrawal requests can be made by someone who has access to your Cash Account number, your signature or your Login Details. From time to time we may verify these requests with you and reserve the right to deny the request.

To protect your Secret Codes you and your Authorised Users should comply with the Security Guidelines set out in clause 10.6 to 10.10 of the Terms and Conditions.

Equipment security

You and your Authorised Users must take all reasonable steps to protect the security of your respective computer hardware and software, and Mobile Devices. "Reasonable steps" are detailed in clause 10.1 of the Terms and Conditions.

Authentication

In addition to taking the "reasonable steps" set out in section 10 (Security) of the Terms and Conditions, we recommend you consider adopting two-factor authentication, often referred to as "2FA". It is an authentication process which gives you an extra layer of protection on your online accounts. When logging in or processing some transactions, you'll be asked to verify your identity through another mechanism such as the requirement to input an SMS Code or a push notification to your Mobile Device. Macquarie has launched Macquarie Authenticator, which can be downloaded to your Mobile Device and utilises push notifications to verify you and your transactions. You

can use a PIN code, biometric such as facial or fingerprint recognition (if supported by your mobile device) or a rolling code that can be used whilst travelling overseas where you may not have phone service to receive an SMS.

Macquarie Authenticator

Macquarie Authenticator is an app to help you seamlessly and securely verify transactions using actionable push notifications.

It is faster and easier to use than SMS, and it works more seamlessly when you're travelling overseas as it's connected to your device, not your phone number.

Download the Macquarie Authenticator app from the Google Play Store or the App Store.

Comply with enhanced security measures

For certain activities on your Cash Account, you or an Authorised User may be asked to comply with our enhanced security measures which provide an additional layer of security to protect you and us from unauthorised transactions and fraud. Refer to section 10 of the Terms and Conditions for more information.

If they occur, you can be liable for unauthorised transactions in certain circumstances

Please check the transactions on your Cash Account carefully. If you suspect any error or unauthorised transaction please promptly notify us.

Maintaining the security of your Cash Account access including Secret Code and equipment you use to access your Cash Account, and informing us as soon as security has been compromised, is very important because if there are unauthorised transactions on your Cash Account, in some circumstances you can be liable, including where:

- you have not taken reasonable steps to maintain security of your computer hardware or software, or Mobile Device
- you breach the Security Guidelines in clause 10.6 to 10.10 of the Terms and Conditions
- you have contributed to the loss through fraud
- there's been extreme carelessness in failing to protect the security of Secret Codes, or

- 3.5 If there is a dispute about the authority to operate the Cash Account, we reserve the right to permit operation on the Cash Account only when all joint Cash Account holders have authorised the instruction.
- 3.6 When a Cash Account is held in joint names and one Cash Account holder dies, the credit balance in the Cash Account will be treated as owing to the surviving Cash Account holder(s).

4. Sufficient funds

- 4.2 Where you specify a future date for a Withdrawal, we may decline any other Withdrawal request that would leave insufficient funds to cover those obligations.
- 4.3 We may not accept transfer or payment instructions from you if the funds in your Cash Account available for Withdrawal are insufficient to cover the amount to be transferred.
- 4.4 We may dishonour any Withdrawal, if there are insufficient funds in your Cash Account at the time of Withdrawal. We may determine the order of priority of monies paid.

5. Interest, fees and charges

Interest

- 5.1 Interest is calculated by dividing the current interest rate by the number of days in the year (365 or 366 in a leap year) and multiplying by the daily closing balance, which is the credit balance of your Cash Account at the end of a day.
- 5.2 Where we tell you that stepped interest applies to your Cash Account, the interest earned is calculated according to the sum of the daily closing balance within each applicable step (depending on the amount in Account) multiplied by the interest rate applicable to that step divided by the number of days in the year.
- 5.3 Interest is calculated on Business Days for that day and all days up to the next Business Day, including any days belonging to the next month. The calculated interest for these days are added, and then rounded up or down, subject to clause 5.3, and accrued until payment.
- 5.4 Interest accruals are rounded up or down to the nearest cent:
 - 0.5 cent or more is rounded up, and
 - less than 0.5 cent is rounded down.
- 5.5 All interest payments will be paid on the last Business Day of the month for all interest accrued for that month.
- 5.6 All interest rates we offer are variable and we may, acting reasonably and subject to law, change the interest rate(s) applicable on any individual Cash Account from time to time.

Fees and charges

- 5.7 We will debit your Cash Account all fees and charges applicable to the account as set out in the *What are the fees and processing times?* section or as notified to you by us from time to time.
- 5.8 We may adjust debits and credits to your Cash Account, and the balance or interest accrued on your Cash Account, in order to accurately reflect your and our legal obligations (for example, because of an error or because a deposited cheque or a direct debit payment is dishonoured).
- 5.9 We may deduct from your Cash Account any taxes which are introduced or become applicable to your Cash Account after commencement.
- 5.10 We may change (acting reasonably) the fees or charges from time to time (including introducing new fees and charges, or changing the way fees and charges are calculated or debited to your Cash Account). There is no maximum limit for the amount of fees and charges we

may impose, however any such charges will be decided at our reasonable discretion. If any law regulates such a change we will only make the change to the extent permitted by, and subject to, the requirements of that law.

- 5.11 Any failure by us to charge a fee shall not constitute a waiver of that fee or the right to charge that fee in the future.

6. Instructions

- 6.1 Macquarie may, in its absolute discretion accept and refuse Cash Account instructions, verbal, written or other electronic requests as Macquarie determines from time to time.
- 6.2 You acknowledge that Macquarie is entitled to rely on, and you will be, subject to law, liable for, any instructions which are received electronically, which appear to have been duly authorised by you. By providing instructions in this way you acknowledge there is an increased risk of fraud, you release us from, any losses and liabilities arising from any payment or action we make in this respect, provided we have acted reasonably but without fraud and negligence.
- 6.3 We reserve the right to add further requirements at any time where we consider these to be reasonably necessary to protect your Cash Account.
- 6.4 You authorise and direct us to act on any instructions given to us by a user or a person using your Login Details and you are liable for any such instructions. We may reasonably delay acting on, or may ask you for further information before acting on, an instruction.
- 6.5 You authorise us to accept any instruction that has not been cancelled by you and notified to us prior to us acting on that instruction.

! **Please be careful!** There is a risk that fraudulent electronic withdrawal requests can be made by someone who has access to your Cash Account number, your signature or your Login Details. From time to time we may verify these requests with you and reserve the right to deny the request.

7. Authorising a third party to access your Cash Account

We offer a facility where you may authorise a company, firm or another person to have access to or withdraw from your Cash Account. You can revoke these authorities at any time by contacting us on 1800 806 310. We will update this in accordance with the signing instructions on your Cash Account.

There are two types of authority for your Cash Account:

- Enquiry Authority
- Limited Funds Transfer Authority

The rights and obligations attaching to each level of authority are described in these Terms and Conditions.

! Please consider carefully who you appoint as a third party authority on your Cash Account as we may follow their instructions as if they were yours. It is important that you understand this risk and carefully consider what level of authority you give to them.

General terms which apply to all levels of third party authority

- 7.1 Only you may appoint a third party to withdraw from your Cash Account.
- 7.2 If you appoint a third party to withdraw from your Cash Account they will automatically be able to enquire on your Cash Account also.
- 7.3 We can impose conditions at any time (acting reasonably).
- 7.4 You acknowledge and agree that these terms apply to the third party you appoint in the same way that they apply to you. You must ensure that every third party that you give authority in respect of your Cash Account has read and complies with these terms.
- 7.5 You will be in breach of these terms if any third party that you give authority does not comply with these terms.
- 7.6 This authority takes effect on the date when we amend our records to note the appointment of the third party. This continues until we cancel it or you cancel it by contacting us. Cancellation takes effect on the date when we amend our records to note the change.
- 7.7 We will notify you if we cancel the appointment of a third party.
- 7.8 We will cancel the authority given to a third party if we are notified of the death, bankruptcy or loss of capacity of either you or the third party.
- 7.9 Third parties cannot set up direct debits on your Cash Account or, subject to clause 7.10, give other third parties access or authority on your Cash Account.
- 7.10 Where you give authority to a company or firm:
- the company or firm will give us details of people who can transact on its behalf
 - you acknowledge and agree that the company or firm may do this and the people they nominate can access your Cash Account according to the authority you have given to the company or firm
 - we will only act on Withdrawal requests from the company or firm, if the person requesting the Withdrawal has been nominated by it in accordance with our procedures, and
 - the company or firm must contact us if any nominated person no longer has authority. If you change adviser or cease using one, you should ensure you contact us immediately to cancel their authority. Otherwise, they may still be able to operate your Cash Account.
- 7.11 You acknowledge and agree that if the third party appointed by you does not comply with these terms, we may unilaterally cancel the person's authorisation, suspend, freeze or block your Cash Account.
- 7.12 You release us from all claims and liabilities in relation to your Cash Account resulting from the appointment of any third party, including your Financial Services Professional or any person nominated by them, as well as their use of Adviser Initiated Payments.
- 7.13 However we remain liable for any loss or liability which:
- arises as a result of our negligence, or
 - by operation of law we cannot exclude.

7.16 Adviser Initiated Payments

Adviser Initiated Payments is a digital solution to enable your Financial Services Professional to initiate Payments on your behalf. You must provide a verbal authorisation of the Payment. Once you provide the Secure Code to your Financial Services Professional, they become an Authorised User on this transaction.

- When your Financial Services Professional requests a Payment on your Cash Account, we will send you a Secure Code via SMS to the mobile number you provide to us.
- It is your responsibility to ensure that your mobile number that you provide us is kept up to date.
- Where you provide the Secure Code to your Financial Services Professional, you consent to the Payment being made to the Destination Cash Account.
- If the Secure Code inputted by your Financial Services Professional matches the Secure Code that we have provided, then the Payment will be completed.

- 7.17 **Bulk transacting by a Financial Services Professional**
Bulk transacting is an administration tool we provide to your Financial Services Professional. The tool helps them efficiently collect fees and make bulk payments from multiple Cash Accounts that they or various Financial Services Professionals working for the same firm may have with us. We only permit this tool where you have provided the required level of authority over your Cash Account to your Financial Services Professional. There are no fees or charges to you for the use of bulk transacting by your Financial Services Professional.

⚠ Please check the transactions on your Cash Account carefully. If you suspect any error or unauthorised transaction please promptly notify us.

Your Financial Services Professional

- 7.18 You choose and appoint your Financial Services Professional. Unless your Financial Services Professional is a representative of a Macquarie Group company, no Macquarie Group company is responsible for the acts or omissions of your Financial Services Professional. If you change your Financial Services Professional, you must notify us in writing. If your new Financial Services Professional is not registered with Macquarie, we will seek to assist them in becoming registered.

- 8.1 We offer you access to your Cash Account by Electronic Banking. We will use reasonable efforts to ensure that access to Electronic Banking is available on a 24 hour continuous basis. However, this may not always be possible.
- 8.2 You agree that the first use of any Electronic Banking service will constitute your agreement to the Electronic Banking Terms and Conditions available on our website at [macquarie.com.au/electronic-banking-terms-and-conditions](https://www.macquarie.com.au/electronic-banking-terms-and-conditions).
- 8.3 For your security, we will send you Confirmations to inform you of changes or other important information concerning your Cash Account. You can turn these notifications on or off at any time by logging onto our Electronic Banking portal or via the Settings menu within Mobile Banking. If you have Confirmations turned on, we may use this service to deliver real time information concerning your Cash Account, such as transactions made by your Financial Service Professional. Please check your mobile phone number details provided to us are up to date to ensure Confirmations are properly delivered to you.

9. Mistaken and fraudulent payments

Mistaken payments received by you

- 9.1 You may receive funds into your Cash Account where you are not the intended recipient due to a sender entering the wrong details when making an internet payment. This clause applies to that situation.

- 9.2 If you become aware of any payments into your Cash Account of which you are not the intended recipient, please contact us as soon as practical.
- 9.3 Where we receive a request for the return of funds from an ADI whose customer reports a mistaken payment into your Cash Account, we are satisfied that a mistaken payment has occurred, and there are sufficient funds in your Cash Account, we may:
- debit your Cash Account with the amount of the mistaken payment without notifying you or obtaining your consent (if the sender reports the mistake within 10 Business Days of the payment), or
 - restrict your access to the funds and give you 10 Business Days to establish that you are entitled to the funds before debiting the Cash Account (if the sender reports the mistake after 10 Business Days but within 7 months of the payment).

Otherwise, we will seek your consent to return the funds.

- 9.4 If we are satisfied that a mistaken payment has occurred, but the balance of your Cash Account is less than the amount of the mistaken payment, we will contact you to discuss how best to facilitate repayment to the sender.
- 9.5 Where we are unable to determine that the payment was a result of a mistaken payment, we may still contact you to seek your consent to the return of funds.
- 9.6 Notwithstanding the above provisions, if you are a recipient of income support payments from Centrelink, we will only seek to recover the funds from you in accordance with the Code of Operation for Centrelink Direct Credit Payments.

10. Security

Equipment security

- 10.1 You and your Authorised Users must take all reasonable steps to protect the security of your respective computer hardware and software, and Mobile Device. Reasonable steps include:
- for computer hardware and software: protecting your computer from viruses and maintaining passwords
 - for Mobile Devices: setting screen lock passwords and ensuring that others do not have access to the use of your Mobile Device (including by ensuring, if you have enabled the ability to access Mobile Banking using a fingerprint stored on your Mobile Device, that your fingerprint is the only fingerprint stored on your Mobile Device)
- 10.2 You and your Authorised Users should log out from Online Banking and Mobile Banking at the end of each session.
- 10.3 You acknowledge that, for security purposes, we reserve the right at any time to log you and any Authorised Users out of Online Banking and Mobile Banking, for example if you or the Authorised Users are inactive for a period of time after having logged on.
- 10.4 Where you or an Authorised User remove some system level restrictions on a Mobile Device by, for example, 'jailbreaking' or 'rooting' the Mobile Device, you indemnify us for any loss arising from fraudulent activity carried out on the Mobile Device, including in respect of your Cash Account.

10.5 It is important that, if you wish to use a fingerprint stored on your Mobile Device to log in to Mobile Banking, no fingerprints other than your own are stored on your Mobile Device. If someone else's fingerprint is stored on your Mobile Device, that person may be able to view your Cash Account(s) and perform transactions in Mobile Banking. We will treat as authorised, and you will be responsible for, any Mobile Banking transactions performed using a fingerprint or other biometric authentication stored on your Mobile Device.

Security guidelines

10.6 The security of your and your Authorised User's Secret Codes is very important, as whoever has access to them may be able to perform transactions on your Cash Account. These guidelines are designed to help you keep your and your Authorised User's Secret Codes secure.

10.7 By following these guidelines, you and your Authorised Users can assist in preventing unauthorised transactions on your Cash Account.

10.8 These guidelines do not determine your liability for unauthorised transactions. Your liability will be determined under section 11 and any applicable codes of practice to which we subscribe.

10.9 To protect your Secret Codes you and your Authorised Users should:

- a. not disclose any Secret Code to anyone, including a family member or friend
- b. take care to prevent anyone seeing a Secret Code entered into a computer, Mobile Device or telephone
- c. try to commit all Secret Codes to memory and not record them by any means (including by storing them on a computer or Mobile Device, or any article that could be accessed or stolen along with a computer or Mobile Device) without making a reasonable attempt to disguise them
- d. not choose a Secret Code which can be easily guessed including, for example, a Secret Code that uses repeated characters, consecutive numbers, or a Secret Code that represents a recognisable part of your or their name, birth date, telephone number or driver's licence number, and
- e. change all Secret Codes at regular intervals.

10.10 The following are not reasonable attempts at disguising a Secret Code:

- a. recording it in reverse order, as a telephone number or as a date (including a birth date) or as an amount, or
- b. recording the Secret Code in any other way that can be easily identified.

Reporting loss, theft or misuse of Secret Codes and devices

10.11 You or an Authorised User must immediately notify us if it is suspected that the security of a Secret Code or Mobile Device, has been breached. You or an Authorised User must also promptly notify us of any unauthorised transactions on your account.

10.12 If we are unable to be contacted by phone because our lines are unavailable, you will not be liable for unauthorised transactions which could have been prevented had we been contactable, provided we are told within a reasonable time after our telephone facilities become available again.

Enhanced security measures

10.13 For certain activities on your Cash Account, you or an Authorised User may be asked to comply with our enhanced security measures. Such circumstances may include when you or the Authorised User make a funds transfer to a new recipient, or make a BPAY payment to a new Biller, or sign into Mobile Banking using a fingerprint stored on your Mobile Device.

10.14 Our enhanced security measures provide an additional layer of security to protect you and us from unauthorised transactions and fraud. The measures may change from time to time at our discretion and include any appropriate method of authentication, or contacting you to verify the transaction or activity on your Cash Account.

10.15 Two-factor authentication, often referred to as "2FA", is an authentication process which uses two different layers of security to verify your identity. For instance, for Online Banking the first layer of authentication relates to your Login Details and a second layer of authentication is imposed when you or the Authorised User initiate certain transactions or perform certain activities on your Cash Account. This additional layer of security may include, but is not limited to, the requirement to input an SMS Code, or answer security questions.

10.16 You or an Authorised User will be instructed to contact us to complete a transaction or other Cash Account activity if any enhanced security measure is not successfully satisfied.

 Please contact us 24 hours a day, 7 days a week, by calling us on 13 31 74.

11. Liability for unauthorised transactions – Electronic Banking

When you are not liable

- 11.1 You are not liable for loss arising from an unauthorised transaction that occurs:
- due to the fraudulent or negligent conduct of our employees or agents
 - due to the fraudulent or negligent conduct of any companies involved in the electronic transaction system or merchants in the system, or their employees or agents
 - because an Access Method is forged, faulty, expired or cancelled
 - before you or an Authorised User received a Secret Code and where the Secret Code was required to perform the unauthorised transaction
 - due to the same transaction being incorrectly debited or credited more than once to the same Cash Account
 - after we have been informed that the security of a Secret Code has been breached
 - through the use of your or an Authorised User's Macquarie ID without the use of a Secret Code, or
 - where it is clear that you or an Authorised User did not contribute to the loss.

When you are liable

- 11.2 You will be liable for actual losses arising from unauthorised transactions that occurred before we are notified of the breach of security in relation to a Secret Code, where we can prove on the balance of probabilities that you contributed to the loss:
- through fraud
 - by acting with extreme carelessness in failing to protect the security of a Secret Code
 - by unreasonably delaying reporting a breach of security in relation to a Secret Code (although you will only be liable for the actual losses that occur after you or an Authorised User become aware, or should reasonably have become aware, of the breach of security), or
 - where the security guidelines set out in section 10 are breached.
- 11.3 You will not, however, be liable for:
- that portion of the loss on any one day, or in any period, that exceeds the applicable daily, or periodic, transaction limit of your Cash Account
 - that portion of the loss which exceeds the balance of your Cash Account, or
 - losses on any Cash Account which we agree cannot be accessed through the use of any Access Methods.

Where your liability is limited

- 11.4 Where a Secret Code is required to perform a transaction and we do not establish that you have, or an Authorised User has, contributed to the loss in the ways set out above, your liability for loss arising from an unauthorised transaction in respect of the Cash Account that occurs before the breach of security in respect of your or an Authorised User's Secret Code is reported to us is the lesser of:
- \$150
 - the balance of your Cash Account or
 - the actual loss at the time that we are notified of the breach of security in respect of the Secret Code (except any portion of the loss that may exceed any applicable transaction limits).

System or equipment malfunction

- 11.5 Notwithstanding any of the above provisions in section 11, you are not liable for loss caused by the failure of any system or equipment to complete a transaction, which is accepted by that system or equipment. However, to the extent that you or an Authorised User should reasonably have been aware that any system or equipment was unavailable or malfunctioning, our liability is limited to correcting errors in your Cash Account and refunding any fees or charges that you have incurred as a result.

Account aggregation services

- 11.6 Some companies provide account aggregation services that allow you to view account information from different institutions on the one webpage, or download your account statements. These companies usually require you to give them your Secret Code(s). We do not endorse, promote, or authorise the use of account aggregation services in connection with your Cash Account(s). If you disclose any Secret Code(s) to another person, you will be liable for any transactions on your Cash Account(s) made by that person using that Secret Code(s). Refer to section 10 (Security) for more information.

12. Suspension and termination

- 12.1 We may suspend, freeze or block the operation of your Cash Account at any time in our reasonable discretion. Examples of where this may occur include the following:
- if you, an Authorised User or any third party authorised to access your Cash Account breach any of the Terms and Conditions or Electronic Banking Terms and Conditions
 - if we reasonably consider that you or any third party authorised by you acts fraudulently or is in breach of any law
 - if we reasonably believe that your Cash Account is being used in a way that may cause loss to you or us
 - if we believe that it is necessary to do so to comply with the law or applicable code.
- 12.2 Where possible, we will give you reasonable notice of suspension or termination of your Cash Account, however this may not be possible in all the circumstances.

13. Anti-Money Laundering

- 13.1 You must not knowingly do anything to put us in breach of the *Anti-Money Laundering and Counter- Terrorism Financing Act 2006*, rules and other subordinate instruments (AML/CTF Laws).
You will notify us if you are aware of anything that would put us in breach of AML/CTF Laws.
- 13.2 If requested you must provide additional information and assistance and comply with all reasonable requests to facilitate our compliance with AML/CTF Laws, an equivalent law in an overseas jurisdiction, and/or its internal policies and procedures.
- 13.3 You undertake that you are not aware and have no reason to suspect that:
- any deposit to the Cash Account is derived from or related to money laundering, terrorism financing or similar activities (Illegal Activities), or
 - proceeds of Withdrawals from the Cash Account will fund Illegal Activities.
- 13.4 You acknowledge that we are subject to AML/CTF Laws and/or its internal policies and procedures.
- 13.5 In certain circumstances we may be obliged to suspend, freeze or block an account where it is used in connection with Illegal Activities or suspected Illegal Activities. Freezing or blocking can arise as a result of the account monitoring that is required by AML/CTF Laws and/or its internal policies and procedures. If we freeze or block your Cash Account because we believe on a reasonable basis that we are required to do so in order to comply with AML/CTF Laws and/or our internal policies and procedures, we are not liable to you for any consequences or losses whatsoever including where we are found liable to a third party in connection with the freezing or blocking of your Cash Account.

14. Combining your accounts

- 14.1 We may, at any time combine the balances of two or more of your accounts held with Macquarie. For example, we may do this if one of your accounts is overdrawn or in debit and the other is in credit. However, we will not do this if for example, where:
- we know the accounts are not held by you in the same capacity (for example, where you have personal account and also an account as trustee for someone else)
 - we have agreed to keep your accounts separate, or
 - we are bound by a code of conduct not to do so (such as the Code of Operation for Centrelink Direct Credit Payments).
- 14.2 We will inform you if we have combined any of your accounts. You should not treat your accounts as combined unless we have agreed to such an arrangement. In the event that your accounts are combined, we may continue to apply separate interest rates to percentages of the combined balance in accordance with previous arrangements.

- 14.3 We may close any or all of your accounts as if the combined accounts had at all times been a single account.

15. Changes to your Cash Account

- 15.1 You promise that all particulars given to us are accurate and complete.
- 15.2 You agree to promptly notify us of any change in:
- your name, address, mobile number or email address
 - the authority of any third party,
 - your tax residency information including whether you become or cease to be a foreign tax resident, or
 - the contents of any application form or any other documents you provide us.
- 15.3 We will not be responsible for any errors or losses associated with changes to your Cash Account where we have received no or inadequate prior notice.

16. Notices and Mobile Banking notifications

- 16.1 You agree that subject to the requirements of BCOP or any law with which we must comply, and unless we agree otherwise at your request, we may give all notices and other communications in connection with these Terms and Conditions electronically:
- by emailing them to the most recent email address we have been advised of or sending them through SMS to the most recent mobile phone number we have been advised of, or
 - by making them available on Macquarie's website or through Online Banking.

17. Taxation⁵

- 17.1 The application of taxation laws depends on a client's individual circumstances. Accordingly, you should seek independent professional advice on taxation implications before making any decisions about a financial product or class of products.
- 17.2 Your Tax File Number (TFN) is collected in accordance with the *Income Tax Assessment Act 1936* and the *Taxation Administration Act 1953*. Provision of a TFN or Australian Business Number (ABN) is not compulsory, however, if you do not quote your TFN (including both TFNs for joint accounts) or ABN or claim an exemption, tax may be withheld from the interest paid to you at the highest marginal tax rate plus the Medicare Levy. Declining to quote a TFN is not an offence.
- 17.3 You may quote your entity's ABN as an alternative to its TFN if you are opening the Cash Account for purposes related to that entity's business. An Australian Company Number (ACN) cannot be quoted in lieu of a TFN/ABN. If only an ACN is provided tax may be withheld at the top marginal rate (plus Medicare Levy).

⁵ Macquarie Bank Limited does not give, nor purport to give, any taxation advice. The application of taxation laws depends on a client's individual circumstances. Accordingly, you should seek independent professional advice on taxation implications before making any decisions about a financial product or class of products.

- 17.4 You do not have to provide us with your TFN, and declining to do so is not an offence. If you do not quote your TFN (including all TFNs for joint accounts), ABN, or claim an exemption, tax may be withheld from the interest paid to you at the highest marginal tax rate (plus Medicare Levy).
- 17.5 For more information about the use of tax file numbers, please contact the ATO.
- 17.6 If you are a non-resident of Australia for taxation purposes, you must provide us with your overseas residential address. Tax may be withheld on the interest you earn on your Cash Account whilst you are a non-resident.

18. Costs and expenses

- 18.1 You agree to pay us all reasonable costs and expenses incurred by us in connection with:
- the exercise and preservation of our rights under these Terms and Conditions, and
 - any legal proceedings or disputes between you and a third party where we become involved in such proceedings or disputes.
- 18.2 These costs and expenses are payable on demand or when we debit the Cash Account for them.

19. Your rights and our rights

- 19.1 To the extent allowed by law, you give up any right to set off any amounts we owe you against amounts you owe us.
- 19.2 If any provision of these terms becomes illegal, invalid or unenforceable in any jurisdiction, this will not affect:
- the validity or enforceability in that jurisdiction of any other provision of these terms, or
 - the validity or enforceability in other jurisdictions of that or any other provision of these terms.
- 19.3 We may close your Cash Account if:
- we reasonably believe that you have:
 - acted fraudulently
 - unlawfully misused your Cash Account
 - acted in a way that could damage the reputation of the Macquarie Group
 - otherwise breached these Terms and Conditions, or
 - if you have not made any transactions on your Cash Account in the last 12 months
 - the balance of your Cash Account becomes subject to unclaimed monies requirements, or
 - for any other reason we reasonably consider appropriate.
- 19.4 You acknowledge that we retain the right not to provide products or services to anyone that we decide, in our sole discretion, that we do not wish to provide them to.

20. Law and jurisdiction

- 20.1 These terms shall be governed in accordance with the laws of New South Wales.

If you are not a resident of Australia:

- you submit to the non-exclusive jurisdiction of the courts exercising jurisdiction in the state of New South Wales and any other court of any other jurisdiction notified to you by us for this purpose
- you agree, on request by us, to appoint an agent for service of process in Australia, and
- you consent to the service of process from any courts in Australia by mailing this to you at your address given in the application form or to any appointed process agent.

21. General

- 21.1 We may assign or otherwise deal with our rights under these terms in any way we consider appropriate provided that we act reasonably.
- 21.2 If anything under these terms is required to be done on a day that is not a Business Day, Macquarie will, at its discretion, process these on the last preceding Business Day or the following Business Day.

22. Trustee representations, warranties and undertakings

- 22.1 This clause applies if you are trustee of a trust (the trust named in the application form being referred to as the Trust). You, both as trustee of the Trust and in your own right, make the following representations and warranties:
- the relevant trust instrument is valid and complies with all applicable laws
 - you are properly appointed as trustee of the Trust, and
 - you comply with the terms of the Trust and your duties and powers.
- 22.2 Where you incur any obligation in any way relating to any asset which you hold as trustee, you incur that obligation both in your own right and in your capacity as trustee.

23. Foreign tax residency information – FATCA and CRS

- 23.1 You must not knowingly do anything to put Macquarie in breach of:
