Privacy consent concerning mobile porting/SIM swapping

You authorise Macquarie to collect, use and disclose your personal information, including for the purpose of preventing or investigating actual or suspected fraud or other misconduct. For example, we may use a third party service provider to determine whether your mobile number has been ported or your SIM swapped, and for this purpose you authorise:

- Macquarie to share your mobile number with that third party;
- that third party to share your mobile number with your telecommunications service provider; and
- your telecommunications service provider to disclose mobile porting/SIM swap information to that third party and to Macquarie.

For more information about how we handle your personal information, refer to our **Privacy Policy**.

Access to and sharing of your data

We may at your or your Financial Services Professional's request:

- provide your Financial Services Professional and other people working in or for their organisation (Associates) with access to your Cash Account data, including your account details, balance, transaction history and personal information (Data), and
- share an electronic copy of your Data with third party service providers used by you, or your Financial Services Professional in support of their operations, including accountants, consultants, or technology platform owner/operators or others (Third Parties).

Some of these people may be situated outside of Australia.

It is important that you understand that we have no direct control over, nor responsibility for, how your Financial Services Professional, their Associates or Third Parties will use, disclose or protect your Data. If you have questions about this, we recommend that you speak with your Financial Services Professional.

We may suspend or terminate any access to or sharing of your Data we directly provide to a person for any reasonable cause without notice, but your historical Data may continue to be accessed by your Financial Services Professional and their Associates after closure. If you would like us to stop any direct access to Data we provide to your Financial Services Professional or their Associates, or stop sharing your Data with any Third Parties to whom we share it directly, please email us at privacy@macquarie.com.

Protecting your money

It is very important that you take steps to protect your personal information and money. Our Security and Fraud statement available online at [macquarie.com.au/security-and-fraud](https://www.macquarie.com.au/security-and-fraud) provides information on the common types of fraud and steps you can take to help protect yourself against fraud and unauthorised transactions.

Authorising a third party to access your Cash Account

Please consider carefully who you appoint with authority on your Cash Account, and their level of authority, as we may follow their instructions as if they were yours. You will be liable for their transaction requests, including if they result in financial loss. It's important that you understand this risk and the level of access you give to them.

Refer to the Terms and Conditions, including section 7.

Keep your Cash Account details and cheques secure

Please be careful! There is a risk that fraudulent electronic withdrawal requests can be made by someone who has access to your Cash Account number, your signature or your Login Details. From time to time we may verify these requests with you and reserve the right to deny the request.

To protect your Secret Codes you and your Authorised Users should comply with the Security Guidelines set out in the *Macquarie Electronic Banking Terms and Conditions*.

Keep your cheques secure – treat your cheque book like cash.

Don't pre-sign cheques or leave any gaps in the completion of the payee name, amount in words or in figures. Endorse cheques "not negotiable" where possible.

Equipment security

You and your Authorised Users must take all reasonable steps to protect the security of your respective computer hardware and software, and Mobile Devices. "Reasonable steps" are detailed in the *Macquarie Electronic Banking Terms and Conditions*.

Authentication

In addition to taking the "reasonable steps" set out in the *Macquarie Electronic Banking Terms and Conditions*, we recommend you consider adopting two-factor authentication, often referred to as "2FA". It is an authentication process which gives you an extra layer of protection on your online accounts. When logging in or processing some transactions, you'll be asked to verify your identity through another mechanism such as the requirement to input an SMS Code or a push notification to your Mobile Device. Macquarie Authenticator, which can be downloaded to your Mobile Device, utilises push notifications to verify you and your transactions. You can use a PIN code, biometric such as facial or fingerprint recognition (if supported by your mobile device) or a rolling code that can be used whilst travelling overseas where you may not have phone service to receive an SMS.

Macquarie Authenticator

Macquarie Authenticator is an app to help you seamlessly and securely verify transactions using actionable push notifications.

It is faster and easier to use than SMS, and it works more seamlessly when you're travelling overseas as it's connected to your device, not your phone number.

Download the Macquarie Authenticator app from the Google Play Store or the App Store.

Comply with enhanced security measures

For certain activities on your Cash Account, you or an Authorised User may be asked to comply with our enhanced security measures which provide an additional layer of security to protect you and us from unauthorised transactions and fraud. Refer to the *Macquarie Electronic Banking Terms and Conditions* for more information.

If they occur, you can be liable for unauthorised transactions in certain circumstances

Please check the transactions on your Cash Account carefully. If you suspect any error or unauthorised transaction please promptly notify us.

Maintaining the security of your Cash Account access including Secret Code, cheque book and equipment you use to access your Cash Account, and informing us as soon as security has been compromised, is very important because if there are unauthorised transactions on your Cash Account, in some circumstances you can be liable, including where:

- you have not taken reasonable steps to maintain security of your computer hardware or software, or Mobile Device
- you breach the Security Guidelines in the *Macquarie Electronic Banking Terms and Conditions*
- you have contributed to the loss through fraud
- there's been extreme carelessness in failing to protect the security of Secret Codes, or
- you unreasonably delay notifying us after becoming aware of the loss, theft or unauthorised use of your cheque book, or a breach of the security of your Secret Code or Mobile Device.

Your liability will be determined under the *Macquarie Electronic Banking Terms and Conditions* and any applicable codes of practice to which we subscribe.

Contact us as soon as possible on 13 31 74 if:

- you find an unauthorised transaction
- you suspect that someone has gained access to your Secret Code or is using your Secret Code without your authorisation
- your Secret Code, computer or Mobile Device becomes lost or stolen, or
- your cheque book is lost or stolen or you suspect an unauthorised cheque transaction.

What is the effect of crossing a cheque?

Crossing a cheque means drawing two parallel lines across the face of the cheque. When you cross a cheque, you are telling the bank that the cheque must be paid into an account with a financial institution and not cashed.

What is the meaning of "not negotiable"?

The words "not negotiable" between two parallel lines across the face of a cheque protects the true owner of a lost or stolen cheque. The effect is that, where the cheque is transferred, the person who ultimately obtained the cheque has no greater rights than the person who transferred it. For example, if your cheque has been stolen and passed by a thief to an innocent person, you will be able to recover the amount paid on your cheque from the innocent person (or the thief if they are found) - this is because the thief has no rights to the cheque and therefore has passed no rights to the innocent person.

How do I withdraw?

What is the meaning of “account payee only”?

These words on a cheque are a warning to a financial institution with which the cheque is deposited that the cheque should be paid only to the person named in the cheque as payee.

What is the significance of deleting “or bearer”?

The words “or bearer” mean that (except in the case where the cheque is crossed and must be collected by a financial institution) the financial institution on which the cheque is drawn has authority to pay it to any person in possession of it (even if that person found it or bought it) unless the financial institution has reason to suspect that the cheque might have fallen into the wrong hands. If you delete these words, the cheque becomes an “order” cheque.

If a cheque is an “order” cheque then (except in cases where the cheque is crossed and must therefore be collected by a financial institution) the financial institution on which the cheque is drawn should only pay it:

- a. to the named payee, or
- b. to any other person to whom the named payee, by endorsing the cheque on the reverse side, has ordered it to be paid.

When you fill out a cheque you need to do so carefully so it can't be subsequently altered easily by someone else. Refer to the *Lodgement and processing times* section for details.

Cash Account closure

You can ask us to close your Cash Account at any time by contacting us (conditions apply) or sending us a request in writing.

We may close your Cash Account in certain circumstances, please refer to section 13 of the Terms and Conditions for more information.

If we close your Cash Account, we will pay you the remaining balance of your Cash Account along with any accrued interest payable to you after all transactions and fees and charges have been debited to your Cash Account.

If your Cash Account is closed, you will be liable for any transactions that were not processed, or that occur after the Cash Account is closed. You are also liable for any unpaid fees or other costs associated with your Cash Account.

If your Cash Account is closed, make sure you notify anyone who either directly debits or credits your Cash Account.

- 12.3 You acknowledge that we retain the right not to provide products or services to anyone that we decide, in our reasonable discretion, that we do not wish to provide them to.

13. Anti-Money Laundering

- 13.1 You must not knowingly do anything to put us in breach of the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*, rules and other subordinate instruments (AML/CTF Laws). You will notify us if you are aware of anything that would put us in breach of AML/CTF Laws.
- 13.2 If requested you must provide additional information and assistance and comply with all reasonable requests to facilitate our compliance with AML/CTF Laws, an equivalent law in an overseas jurisdiction, and/or its internal policies and procedures.
- 13.3 You confirm that you are not aware and have no reason to suspect that:
- a. any deposit to the Cash Account is derived from or related to money laundering, terrorism financing or similar activities (Illegal Activities), or
 - b. proceeds of Withdrawals from the Cash Account will fund Illegal Activities.
- 13.4 You acknowledge that we are subject to AML/CTF Laws and/or its internal policies and procedures.
- 13.5 In certain circumstances we may be obliged to suspend, freeze or block an account where it is used in connection with Illegal Activities or suspected Illegal Activities. Freezing or blocking can arise as a result of the account monitoring that is required by AML/CTF Laws and/or its internal policies and procedures. If we freeze or block your Cash Account because we believe on a reasonable basis that we are required to do so in order to comply with AML/CTF Laws and/or our internal policies and procedures, we are not liable to you for any consequences or losses whatsoever, except to the extent such liability arose from our mistake, fraud, negligence or wilful misconduct.

14. Combining your accounts

- 14.1 Acting reasonably, we may, at any time combine the balances of two or more of your accounts held with Macquarie. For example, we may do this if one of your accounts is overdrawn or in debit and the other is in credit. However, we will not do this if for example, where:
- a. we know the accounts are not held by you in the same capacity (for example, where you have personal account and also an account as trustee for someone else)
 - b. we have agreed to keep your accounts separate, or
 - c. we are bound by a code of conduct not to do so (such as the Code of Operation for Centrelink Direct Credit Payments).
- 14.2 We will inform you if we have combined any of your accounts. You should not treat your accounts as combined unless we have agreed to such an arrangement. In the event that your accounts are combined, we may continue to apply separate interest rates to percentages of the combined balance in accordance with previous arrangements.

Terms and Conditions

- 14.3 We may close any or all of your accounts as if the combined accounts had at all times been a single account.

15. Changes to your Cash Account

- 15.1 You promise that all particulars given to us are accurate and complete.
- 15.2 You agree to promptly notify us of any change in:
- your name, address, mobile number or email address
 - the authority of any third party,
 - your tax residency information including whether you become or cease to be a foreign tax resident, or
 - the contents of any application form or any other documents you provide us.
- 15.3 If no such notice is given, we, subject to law, are entitled to rely on information, authorisations and documents previously supplied by you. To the extent permitted by law, we are not responsible for any loss caused by or arising out of your failure to provide us reasonable notice of a change in your particulars.

16. Notices and Mobile Banking notifications

- 16.1 You agree that subject to the requirements of BCOP or any law with which we must comply, and unless we agree otherwise at your request, we may give all notices and other communications in connection with these Terms and Conditions electronically:
- by emailing them to the most recent email address we have been advised of or sending them through SMS to the most recent mobile phone number we have been advised of, or
 - by making them available on Macquarie's website or through Online Banking.

17. Taxation⁹

- 17.1 The application of taxation laws depends on a client's individual circumstances. Accordingly, you should seek independent professional advice on taxation implications before making any decisions about a financial product or class of products.
- 17.2 Your Tax File Number (TFN) is collected in accordance with the *Income Tax Assessment Act 1936* and the *Taxation Administration Act 1953*. Provision of a TFN or Australian Business Number (ABN) is not compulsory, however, if you do not quote your TFN (including both TFNs for joint accounts) or ABN or claim an exemption, tax may be withheld from the interest paid to you at the highest marginal tax rate plus the Medicare Levy. Declining to quote a TFN is not an offence.

- 17.3 You may quote your entity's ABN as an alternative to its TFN if you are opening the Cash Account for purposes related to that entity's business. An Australian Company Number (ACN) cannot be quoted in lieu of a TFN/ABN. If only an ACN is provided tax may be withheld at the top marginal rate (plus Medicare Levy).
- 17.4 You do not have to provide us with your TFN, and declining to do so is not an offence. If you do not quote your TFN (including all TFNs for joint accounts), ABN, or claim an exemption, tax may be withheld from the interest paid to you at the highest marginal tax rate (plus Medicare Levy).
- 17.5 For more information about the use of tax file numbers, please contact the ATO.
- 17.6 If you are a non-resident of Australia for taxation purposes, you must provide us with your overseas residential address. Tax may be withheld on the interest you earn on your Cash Account whilst you are a non-resident.

18. Costs and expenses

- 18.1 Where permitted by law, you agree to pay us all reasonable costs and expenses incurred by us in connection with:
- the exercise and preservation of our rights under these Terms and Conditions, and
 - any legal proceedings or disputes between you and a third party where we become involved in such proceedings or disputes.
- These costs and expenses are payable on demand or when we debit the Cash Account for them.

19. Your rights and our rights

- 19.1 To the extent allowed by law, you give up any right to set off any amounts we owe you against amounts you owe us.
- 19.2 If any provision of these terms becomes illegal, invalid or unenforceable in any jurisdiction, this will not affect:
- the validity or enforceability in that jurisdiction of any other provision of these terms, or
 - the validity or enforceability in other jurisdictions of that or any other provision of these terms.

⁹ Macquarie Bank Limited does not give, nor purport to give, any taxation advice. The application of taxation laws depends on a client's individual circumstances. Accordingly, you should seek independent professional advice on taxation implications before making any decisions about a financial product or class of products.

20. Law and jurisdiction

- 20.1 These terms shall be governed in accordance with the laws of New South Wales.
- 20.2 If you are not a resident of Australia:
- you submit to the non-exclusive jurisdiction of the courts exercising jurisdiction in the state of New South Wales and any other court of any other jurisdiction notified to you by us for this purpose
 - you agree, on request by us, to appoint an agent for service of process in Australia, and
 - you consent to the service of process from any courts in Australia by mailing this to you at your address given in the application form or to any appointed process agent.

21. General

- 21.1 We may assign or otherwise deal with our rights under these terms in any way we consider appropriate, without your consent for legitimate business purposes including business reconstruction, amalgamation or sale, provided that we act reasonably (including ensuring that the recipient of such information and documentation observes the same duties of confidence and privacy which we have to you under these Terms and Conditions).
- 21.2 If anything under these terms is required to be done on a day that is not a Business Day, Macquarie will, at its discretion, process these on the last preceding Business Day or the following Business Day.

22. Trustee representations, warranties and undertakings

- 22.1 This clause applies if you are trustee of a trust (the trust named in the application form being referred to as the Trust). You, both as trustee of the Trust and in your own right, make the following representations and warranties:
- the relevant trust instrument is valid and complies with all applicable laws
 - you are properly appointed as trustee of the Trust, and
 - you comply with the terms of the Trust and your duties and powers.
- 22.2 Where you incur any obligation in any way relating to any asset which you hold as trustee, you incur that obligation both in your own right and in your capacity as trustee.

23. Foreign tax residency information – FATCA and CRS

- 23.1 You must not knowingly do anything to put Macquarie in breach of:
- sections 1471 to 1474 of the US Internal Revenue Code of 1986 (commonly known as FATCA), any associated regulations or official guidance, any agreement with the US Internal Revenue Service relating to FATCA or any Australian laws, regulations or official guidance relating to an intergovernmental agreement between the United States and Australia in connection with FATCA (FATCA Laws) or our internal policies and procedures, or
 - our obligations in relation to Common Reporting Standard under the *Taxation Administration Act 1953* (Cth) (commonly known as CRS), any associated regulations or official guidance, the OECD Multilateral Competent Authority Agreement on Automatic Exchange of Cash Account Information or any Australian laws, regulations or official guidance in connection with CRS (CRS Laws) or our internal policies and procedures.
- 23.2 You agree to provide to Macquarie all the information or assistance we may request at any time, (whether as part of the application process or otherwise) to ensure that we are able to comply with our obligations under the FATCA Laws, CRS Laws or our internal policies and procedures.
- 23.3 In making an application, you consent to Macquarie disclosing in connection with the FATCA Laws, CRS Laws or Macquarie's internal policies and procedures any of your Personal Information (as defined in the *Privacy Act 1988* (Cth)).
- 23.4 Macquarie retains the right not to provide products or services to you where we decide, in our reasonable discretion, that we do not wish to provide, including where information has not been provided as required to comply with FATCA Laws or CRS Laws.

24. Unclaimed money

- 24.1 If your Cash Account has a balance of \$500 or more (or such other amount as is prescribed under applicable laws from time to time) and you have not transacted on that Cash Account for seven (7) years, and neither you nor your authorised third party have notified us within this seven year period that your Cash Account is to remain active, then we are required by law to close your Cash Account and remit the balance of your Cash Account to the Commonwealth Government.
- 24.2 Whilst you can reclaim your money from the Commonwealth Government at any time, we suggest that your Cash Account is operated regularly or you contact us to avoid this inconvenience.
- 24.3 More information on unclaimed money can be found on the Australian Securities and Investments Commission's (ASIC) website at asic.gov.au.
- 24.4 There may be other situations where we are legally required to close your Account and remit the balance of your Account to the Commonwealth Government, to ASIC or other regulatory bodies, such as where a company or association that holds the Account is deregistered.

25. Electronic Message Service

- 25.1 The Electronic Message Service (EMS) is a mechanism by which you are able to electronically receive information regarding contributions from your employer to your Self Managed Super Fund (SMSF), as required under superannuation law. By providing our electronic service address to your employer, you are agreeing to be bound by these terms.
- 25.2 A contribution message (Message) is an electronic message sent to us by your employer providing details relating to a contribution payment made to your SMSF. Your employer is responsible for the content and accuracy of the information provided in the Message.
- 25.3 Receiving a Message does not ensure a contribution payment has been made. We recommend checking with the sender of the message to be sure.
- 25.4 The EMS can be provided either by us or a third party service provider until there is a change in the law.
- 25.5 As part of the EMS we will accept Messages and may notify you when these become available by email or online. Relevant details of your contribution payments will be available via Electronic Banking and to any Financial Services Professionals with authority on your Cash Account.
- 25.6 We will reject any Messages that cannot be matched to a Cash Account.
- 25.7 We do not provide and are not responsible for:
- reconciling contribution payments to Messages or Messages to trustees of the SMSF, or
 - any reporting or consolidation of Messages, or
 - removing any Messages which are incorrect, or
 - providing or receiving information regarding rollovers.
- In addition to the above, we are not responsible for any errors in the Message which do not allow us to match the Message to your SMSF.
- 25.8 You are responsible for:
- complying with all applicable laws relating to your SMSF, and
 - contacting the message sender if there are any errors with the information contained in the Message.
- 25.9 By providing our electronic message address to your employer you are providing consent for us to collect, hold, use and disclose any personal information contained in the Message in accordance with our Privacy Policy.
